Bernadette--

here are copies of the overheads from the meeting that I was able to get my hands on. There may be one or two that Lou used that I do not have--if there is something that you specifically wanted that is not included in the attached files, let me know and I will try to find it for you. My last day here is Thursday. We have not assigned anyone to take over Jackson Steel / Tutor Time yet.

take care,

nicole

Good Afternoon Nicole - Can you please forward me a hard copy of all the slides/overheads which were used at the parents meeting held by the EPA on the 8th? Thank you.

By the way, when is your last day?
